DISEASES OF THE ORBIT

YOUR APPOINTMENT IS:

AT _____

Welcome New Patient

Thank you for choosing Dr. Chapman for your specialized care. Your initial consultation may take one to one and a half hours. Depending on the nature of your examination, your eyes may or may not be dilated. Cosmetic and reconstructive surgery consultations typically do not require dilation. Facial fracture or trauma patients often require dilation. You may need someone to drive you home.

Please bring the following items to your initial consultation:

- ◆ Completed paperwork.
- ◆ Prescription glasses, including reading glasses.
- ◆ Complete list of medications.
- ◆ Name and address of your internist or family doctor.
- ◆ Any recent CT / MRI scans related to your present condition.
- ◆ Insurance cards and photo identification.

Karen L. Chapman, M.D., F.A.C.S.

Dr. Chapman is a Board Certified Ophthalmologist with fellowship training in Oculoplastic and Reconstructive Surgery and Surgery and Diseases of the Orbit. She has practiced in Sarasota since 1997. A Magna Cum Laude graduate of Harvard University with a Bachelors Degree in Biology and Neurosciences, Dr. Chapman then attended University of Virginia School of Medicine, completed her internship at Roanoke Memorial Hospital,

Roanoke, Virginia and her ophthalmology residency at University of Virginia. Dr. Chapman completed fellowship training in oculoplastic and reconstructive surgery and orbital diseases at Mayo Clinic, Rochester Minnesota. A well respected ophthalmic plastic surgeon in the Sarasota area, Dr. Chapman specializes in cosmetic and functional upper and lower eyelid surgery, cosmetic and functional brow surgery, facial and periorbital skin cancer excision and reconstruction, tear drainage surgery, orbital and facial fracture repair and surgical management of thyroid eye disease. In addition to surgical and medical procedures, Dr. Chapman performs various aesthetic procedures, including Juvederm and Restylane augmentation and Botox Cosmetic. Dr. Chapman serves as a National Education Faculty Member for Botox Cosmetic.

Surgical procedures are performed at Helen Cape Surgery Center, Sarasota Memorial Hospital and at our office location. Dr. Chapman's office surgery suite is registered with the Florida Department of Health.

Dr. Chapman is a member of the American Academy of Ophthalmology, The American Society of Ophthalmic Plastic and Reconstructive Surgery, and the Sarasota County Medical Society. She is a Fellow of the American College of Surgeons.

Due to the nature of Dr. Chapman's specialized practice, she does not offer routine eye examinations or general eye care. Referrals and recommendations for general ophthalmologists and optometrists are available upon request.

Insurance and Billing Policies

We participate in most insurance plans. We will file all claims with Medicare and primary insurances. Secondary insurance will be filed as a courtesy. We do not file claims with insurance companies in which we are not a participating provider. We will make copies of your insurance cards and photo identification, these will be placed in your medical file and used as required to file insurance and collect payment.

Prior to your appointment, please verify your insurance coverage and benefits. If your policy is "managed care" and requires an authorization, it can be faxed to 953-5808. It is your responsibility to obtain authorization from your primary care provider **PRIOR** to your appointment. Your appointment may be rescheduled if you do not have proper authorization. Co-payments will be collected at the time of your visit.

For cosmetic procedures and services not covered by insurance, payment will be collected upon check-out. Cash, personal checks, Visa and MasterCard and American Express are accepted.

Office Hours and Appointments

Monday—Thursday	9:00am—4:30pm
Friday	9:00am—12:00pm

Our office is closed on weekends, holidays and lunch daily from 12:00pm—1:00pm. Patients are seen by appointment only. For the convenience of all patients, those who arrive more than 10 minutes late for their appointment may be rescheduled.
